

# Tasmanian Game Makers Association 2024 AGM

Friday 23rd of February 2024

## Treasurer's Report

Jon unfortunately was an apology due to illness so the report was presented without comment.

## President's Report

Paris was unfortunately an apology due to illness so the report was delivered by the Secretary.

The main discussion was that while the membership remains healthy there is serious concern around lack of overall engagement in the community for non-meetup events. And if the purpose of TasGM is to run meetups it may not need to exist as a formal association and this is something for the members to consider going ahead.

## Elections

Paris Buttfeld-Addison was elected as President unopposed

Jon Manning was elected as Treasurer unopposed

Tim Nugent was elected as Secretary unopposed

Michael Hinz, Leo Fabey, Jarvis Carroll were elected as general members unopposed.

There exist three general member casual vacancies, and the vice president role was also a casual vacancy.

## Other Business

There was no other business
